

WORKSHOP organized by ELSAE
(English Learning for Science, Agriculture and Engineering)

科学者のための英語：最初の一步

English for scientists: The first step

Our course will be the first step to become a scientist!
You can learn how to discuss science in English.
Anybody who wishes to be a scientist can join us
regardless of their English level.

Open to undergraduate,
graduate, japanese
and international students

将来、研究者をめざす学生のための英語講座です。北大の理学部、工学部、医学部などに所属する教員（日本人及び外国人）が、将来英語でコミュニケーションをしたい理系の学生のために企画しました。

This workshop is designed for the students who wish to be scientists.
It will be taught by a team of international and Japanese professors from
Science, Engineering and Medical Departments.

Date: Jan. 23rd (Sat.) or Jan. 30th (Sat.) from 9.00 to 12.00

Place: Faculty of Science. Building 5. Room 813
